ABOUT

B.Tech graduate in Artificial Intelligence & Machine Learning with 3 months of hands-on internship experience building and deploying live WordPress websites for real clients. Delivered responsive business websites, from design customization and development to cPanel deployment. Skilled in HTML5, CSS3, JavaScript, PHP, MySQL, WordPress, Elementor. Passionate about creating clean, user-friendly websites and Responsive web solutions.

SKILLS

- **Languages & Frameworks** : HTML5, CSS3, JavaScript, PHP, Bootstrap
- **WordPress** : Elementor, Theme Customization
- **Frontend** : Responsive Design, Tailwind CSS,
- **Backend & DB** : PHP , MySQL.
- **Tools** : Git, GitHub, Figma, Canva, VS Code, cPanel

WORK EXPERIENCE

Web Development Intern | **Etzel IT Solutions**, Sambhajinagar | Dec 2025 – Mar 2026

- Built and deployed 2 live WordPress websites using HTML, CSS, JavaScript, PHP, and Elementor. Customized themes and developed responsive pages for desktop, tablet, and mobile.
- Created PHP & MySQL contact forms with admin email routing and managed cPanel deployment..

Web Development Intern | **SDLG Corp**, Sambhajinagar | Jul 2022 – Aug 2022

- Built responsive frontend (Gallery & Contact pages) for a Travel Management Website using HTML and CSS as part of a 4-member development team.
- Gained hands-on experience in project coordination, team collaboration, and frontend web design workflows.

PROJECTS

Devnarayan Logistics LLP | **WordPress**

- Designed and customized a complete WordPress business website — layout, sections, and UI styling; deployed and managed the live site for a logistics client.

SGBuildcon Engineering | **WordPress + PHP**

- Built a fully responsive business website with custom UI sections; integrated a PHP contact form routing user inquiries to admin email for streamlined client communication.
